COMMENTS

. . . . from the

Commander

If you missed Nashville you missed a very good time. Though I have never been to a bad reunion Billie and Nina did a tremendous job.. When all was said and done 48.00 was left after all the bills were paid. There was some concern that there would not be enough money to pay everything but there was. The Association has over 1,000.00 in an account to cover such problems, we hope. Hoyt and I have to both sign for it to pay any bill that come up. Here are some of the items of the Nashville reunion.

Get-to-gather Party and Banquet at Hotel.....3757.02
Grand Old Opry.....1777.88
General Jackson (river trip).....1899.81
Bus transportation..... 250.00

It is quite a responsibility of the host to see that all goes well. In a letter that I got from Billie and Nina, they say, "We appreciate the concern from the crew, that we were coming up short. We surely want to thank the new people who came and are glad we were able to get them tickets at the last moment. I'm sure some though we didn't have things in order but, the late comers and some mind changers, can as you know, carate havac. Please give a special thanks to everyone who contributed to the success of our reunion, door prizes, ditty bags, gifts, the sharing of pictures and cruise books in the host room. Also money for the host room refreshments. I Thank the crew for the plaque and Nina Thanks for the blue crystal set and money she received. Thanks to everyone for a job well done, we could not have done it by ourselves. I'm sure everyone is standing by to give John and Ann Fiandaca the 1989 host the same support. We appreciate all the letters from the people giving us a well done on the reunion, Thanks To You All!.....

One final note on the Nashville Reunion is that there were over 90 shipmates in attendance.

....This newsletter is two pages longer than any previous ones. The reason is that the roster of the Calvert Associates takes a lot of room. There is over 500 members that receive the newsletter. In the back of the newsletter is a list of names that I need help with. If you can help me find any of these guys, Thanks...I have had some concern about the financial needs of the newsletter. It cost about 300.00 to put out one issue and we put out two a year. The newsletter is financially stable due to the generous donations of the association. I really appreciate it and record all such donations in the back of the newsletter. I put out the first one at my expense but the next ten years were taken care of by nice guys like you.....If you are in the mood for a mini-reunion there is one in the making. These are for small groups and a lot of fun. If you plan to have one in your area send me the info and I will put it in the Calversion..... The next issue we will put in the financial statement of Association funds and the minutes of the last national reunion meeting.....If you have not heard by now the next national reunion will be in Cape Cod, Mass. with John Fiandaca as Host. He has assured me that he will have some early reports by the spring newsletter. Time to close. At this time of the year, the best to you and yours from Lila and me, and thanks.....j.l.cole.....

Don't know where time has gone -- this letter has been on my list of "DO TODAY" for over a month -- so at last, here goes!! John, Bobby and I want to take this time to tell you how much we enjoyed the '37 Calvert Reunion. This was our first, and we certainly hope it will not be our last. We enjoyed all the activities and Bobby was really pleased to renew friendships with old buddies from his four years on the Calvert. Also, John, thanks for having enough interest to get this going. I think it is great -- after all about all we really have that never changes is our fond, or not so fond, memories of days gone bye. I don't want to live in the past, but it is fun to look back at where I have been, and our Calvert days are among some very fond memories -- like my wedding ring came via the Calvert ship store -- held up pretty good it has stood by us 35 years. Hope we will be seeing you again in 1989. BOBBY KAPER

As usual, the Calversion was informative and interesting and of course, brings back nostalgic memories of the mighty "C" and its crews from 41 to 45--and unfortunately, at times, news of the passing of shipmates like Al Henzing, Div. 3. Again I have missed a reunion - I have had 3 minor surgeries during the past 18 mos. and am presently on "standby" to enter the Deborah Heart & Lung Hospital for open heart surgery -- I'm in pretty good condition and the odds of recovery are in my favor. The biggest "plus" that I have going for me is Helen, my lovely wife and friend for the past 40 years. I do hope that the reunion at Nashville was a big success & really regret my inability to attend and see some of my old shipmates -- well, maybe "next time" I'll be able to make it. There were at least 15 names, mentioned in the newsletter, that I remembered and it would have been wonderful to renew friendships. Now let me add a few words of thanks and appreciation for your continued devotion and labor to making the "Calversion" possible: in the Navy vocabulary you and the Calversion are 4.0. CHARLES FRANCHER

Nashville was great - we went in a day early & still didn't get to visit everyone & do all we had planned. Next time we may start a week early. The number of people at Nashville just sort of overwhelmed us. We are both doing great - no serious problems - just the normal uncertainties of ranching- I wouldn't have it any other way. Will close for now - best wishes - looking forward to the next reunion - John - your initiative in starting these reunions not only makes our day - you make our years - we plan everything around the reunion. Our Best to you both - RAY & MARY NELL GLASCO

I had been trying to find out what happened to the U.S.S. Calvert after it was decommissioned. I served on the U.S.S. Calvert from April 1943 to May 1946. When I was discharged I was SK2C and run the Ships Store, Small Store and issued supplies to cooks and bakers. I was on the U.S.S. Yorktown in Charleston, S.C. and discovered a calling card of Edward O'Brien, Petaluma, Ca. who had served on the Calvert. I wrote to him and in his reply advised me that you had started an association and put a newsletter three or four times a year. I am very much interested and would like to join this association, please put me on your mailing list. THOMAS WARDEN

Just a few words to say hello & hope that the past year has been a good one for you two old friends. With my game leg acting up this past summer & having to go into the Army Medical Center in S.F. it put a crimp in our trailer travel. With the therapy I've had these past months I'm able to get around almost as good as before but as old Father Time & Mother Nature wear me down I can truthfully tell you I'm beginning to feel my 78 years. Losing my old Room-mate Vince Simon didn't help my state of mind but I suppose as we all get older we've got to get used to these losses. MARY & ED O'BRIEN

My father-in-law died 4-29-87 - Charles R. Gravatt. I noticed that he kept all your newsletters - so I thought I would drop you a line. Pop died of lung cancer - he was able to die in the dignity of his own home. He loved his military life & often would tell me W.W.II stories & how he would laugh at some of the fond memories. Hope your reunion is a success! May God bless you all. GRAVATT

My husband was a Damage Controlman on the Calvert 1950-54, June. How thrilled we are to learn of your reunions and newsletter. Billie Trout sent us Vol No. 12, 1983 and it would have done your heart good to see how much my husband enjoyed it. We will hope to come to the next reunion and thank you in person for your work in putting us in touch with old memories and each other. The newsletter is so well put together. You are to be complemented for your clever layout and great info. Please put us on your newsletter mailing list. CHARLES & BARBARA LINKA

This was sent to me by Phil Roddy. The date is 19 January 1963. It is written by J.T. Brown, Super. of Culinary Arts. Title.....Hell and Back

Three friends in this car
Drank their beer and went to war,
Each by some peculiar chance
had chosen a different branch.
Before they parted, they made a pact
after the war, to meet in this shack.

The sailor didn't say a word,
he acted like he hadn't heard.
Then these words came faintly through,
"Boys, I was on the thirty two."

The one who's story was the best
would have his beer paid by the rest.
The war was over and the boys were back
drinking beer in the same old shack.

The soldier shouted and the marine did too,
"we owe the beer to you."
For they had heard and knew too well,
that here was a man that had been through Hell!

The marine arose with ribbons on his chest,
"Of all the fighting men, we're the best".
The soldier arose with a great big smile,
he stood and laughed at the marine for awhile.
