CALVERTS

OFFICIAL NEWSLETTER OF THE MEN OF THE U.S.S. CALVERT APA32
"The Ship and Men of Distinction"

Just a few things I want to clear up about our upcoming reunion. Our Saturday night dance is listed as formal. What I would like the men to wear is a suit and tie, a leisure suit or a uniform if it fits. Since the rest of the reunion is casual dress we should have a little class somewhere along the line. Also any ribbons or medals you have please wear them. I'm going to wear my good conduct medal as it is the only thing from the Calvert days that fits.

I've been married for 20 some years and I'm not going to start now and tell the ladies what to wear. If you have a long dress that you want to wear fine, otherwise, whatever you think is appropriate. What we all want to do is have a good time. The band is great and will play anything you want to dance to.

I have a few door prizes that will be given away at our banquet. Those of you that are attending, who have a business, that would like to bring something to be given away please do so. If you can't make it but, would like to send a door prize please feel free to do so. I'm sure it will be appreciated by all who attend. All donations will be drawn for and acknowledged on our Banquet Program.

The following names have sent in advance or full payment for the reunion at this time.

Dear John:

Thanks for sending me a copy of the Calversion. I enjoyed reading it very much and saw a few names I recognized. Albert "Charlie" Noble was one of them. He was L.P.O. and then Chief of "A" division. We had some great times together. I would be interested in getting a copy of the ship's history. Tom Glickman mentioned in his letter of a decapitation that allegedly took place on the Calvert. This actually happened in Oct., 1944 enroute to the Philippines. No one knew much about it. For any old buddies who may read this letter, I would like to hear from them. A little background for the record. I was married when I enlisted in 1942 and still am to the same wonderful gal. We have 2 daughters that have flown the coop and are on their own. After working for 3 banks, I have ended up as a Vice President of the First National Bank of Pa. in Erie, Pa. Retirement is down the road in a few more years. At that time, we hope to see parts of this wonderful country that we have not yet visited. I sent two copies of the Calversion to John Pincentini in Rhode Island. We have kept in touch over the years and I am sure he will be writing to you. The other copy was for Tom "Toby" Tibin who lives close to Jack. Enclosed is the I.D. form to put me in file. Also, there is a small amount to carry on your good work. Keep it up.

KARL W. PARKER

I saw in the V.F.W. News that the ships crew of the U.S.S. Calvert A.p.a.32 are having a reunion. During the invasion of Saipan, the Calvert was a casualty ship. I was taken aboard your ship June 16, 1944 as a casualty and treated for a head wound and back injury. I want to express my heartfelt thanks for the excellent treatment I was given aboard your ship 35 years ago. Where could I get the history of the ship? Where would I send for a picture? Are there medical records of the patients that were treated aboard ship at the time I was on ship? Thanking you in advance I remain.....HENRY G. BARTCH - 716 S. 18th St.

Columbia, Pa. 17512

A couple of weeks ago we received your letter in our box. We would like to let you know that William Lloyd Wermers passed away on November 20, 1975 at the age of 43. He was my husband's brother and my husband said that he had served on the U.S.S. Calvert during his hitch in the Navy. I just thought we should write and let you know. If you want any more information please feel free to write and we will try to answer your questions.....MRS. WILFRED WERMERS

I just received the May issue of the Naval Affairs and note with much surprise that the "Whiskey" ship does have some survivors. I will not be in a position to attend the reunion and would do almost anything if could be made possible, but I see no such chance. In lieu of my attending I'm enclosing a small check to help the affair along and would appreciate any literature that may be available, particularly a roster of the the Shipmates who are lucky enough to be able to attend. To put things in proper perspective my service in the Calvert started with my reporting as an Ensign on 24 October 1942 and terminated with my detachment as a Lieutenant and Executive Officer on 2 June 1945. In the interim I served as Division Officer, Asst. First Lieut, First Lieut. and Exec. under Capt. J.W. "The Hat" Whitfield, Capt. A.P. Mullinnix, Capt, L. A. Thackery, Capt. E. J. Sweeney and Capt. John Ford Harris. After these many years I find it easy to remember the names of many of the Calvert Shipmates and have knowledge of many who have joined their Shipmates on the last long tour of duty. My last visit to the Calvert was at Pagoda Pier on the Naval Base at Yokosuka, Japan the year after I retired and at that time she was rather a sad reminder of the once proud ship she had been in her younger days, also so were most of the members of her illustrious and dedicated first operational crew. None of us ever seem to grow old gracefully, but all achieve the same end; Oblivion.....CHARLES L. SCHOOLER

LES FIELDS and the TURKEY RIVER ALL-STARS

They want to play for you in the worst way .

MAYOWOOD - A Historical Site

Rochester's Magical Silver Lake is located at North Broadway and 13th Street. This is the home of several thousand Canadian wild geese, Mallard wild ducks and two swans. Many of the ducks and geese stay here all year. They are tame and can be hand fed pop corn, bread, corn, etc.

Mayowood's Living Room

Tours of Mayowood appeal to a broad range of people, but especially to those interested in antiques, history landscape, and architecture. Settled on a secluded hillside above the Zumbro River, the forty room mansion contains a rich collection of Mayo memorabilia, in addition to rooms furnished with fine furniture from various countries, largely France, and England. Since Dr. Charles H. Mayo completed the home in 1912 and aquired a large acreage of surrounding woodland, the house and its environs have been a cultural center for Southeastern Minnesota. The home and ten acres of the Estate land was donated to the Olmsted County Historical Society by the late Dr. and Mrs. Charles W. Mayo.

CALVERTS

OFFICIAL NEWSLETTER OF THE MEN OF THE U.S.S. CALVERT APA32
"The Ship and Men of Distinction"

Just a few things I want to clear up about our upcoming reunion. Our Saturday night dance is listed as formal. What I would like the men to wear is a suit and tie, a leisure suit or a uniform if it fits. Since the rest of the reunion is casual dress we should have a little class somewhere along the line. Also any ribbons or medals you have please wear them. I'm going to wear my good conduct medal as it is the only thing from the Calvert days that fits.

I've been married for 20 some years and I'm not going to start now and tell the ladies what to wear. If you have a long dress that you want to wear fine, otherwise, whatever you think is appropriate. What we all want to do is have a good time. The band is great and will play anything you want to dance to.

I have a few door prizes that will be given away at our banquet. Those of you that are attending, who have a business, that would like to bring something to be given away please do so. If you can't make it but, would like to send a door prize please feel free to do so. I'm sure it will be appreciated by all who attend. All donations will be drawn for and acknowledged on our Banquet Program.

Dear John:

Thanks for sending me a copy of the Calversion. I enjoyed reading it very much and saw a few names I recognized. Albert "Charlie" Noble was one of them. He was L.P.O. and then Chief of "A" division. We had some great times together. I would be interested in getting a copy of the ship's history. Tom Glickman mentioned in his letter of a decapitation that allegedly took place on the Calvert. This actually happened in Oct., 1944 enroute to the Philippines. No one knew much about it. For any old buddies who may read this letter, I would like to hear from them. A little background for the record. I was married when I enlisted in 1942 and still am to the same wonderful gal. We have 2 daughters that have flown the coop and are on their own. After working for 3 banks, I have ended up as a Vice President of the First National Bank of Pa. in Erie, Pa. Retirement is down the road in a few more years. At that time, we hope to see parts of this wonderful country that we have not yet visited. I sent two copies of the Calversion to John Pincentini in Rhode Island. We have kept in touch over the years and I am sure he will be writing to you. The other copy was for Tom "Toby" Tibin who lives close to Jack. Enclosed is the I.D. form to put me in file. Also, there is a small amount to carry on your good work. Keep it up.

KARL W. PARKER

I saw in the V.F.W. News that the ships crew of the U.S.S. Calvert A.p.a.32 are having a reunion. During the invasion of Saipan, the Calvert was a casualty ship. I was taken aboard your ship June 16, 1944 as a casualty and treated for a head wound and back injury. I want to express my heartfelt thanks for the excellent treatment I was given aboard your ship 35 years ago. Where could I get the history of the ship? Where would I send for a picture? Are there medical records of the patients that were treated aboard ship at the time I was on ship? Thanking you in advance I remain.....HENRY G. BARTCH - 716 S. 18th St.
Columbia, Pa. 17512

A couple of weeks ago we received your letter in our box. We would like to let you know that William Lloyd Wermers passed away on November 20, 1975 at the age of 43. He was my husbands brother and my husband said that he had served on the U.S.S. Calvert during his hitch in the Navy. I just thought we should write and let you know. If you want any more information please feel free to write and we will try to answer your questions.....MRS. WILFRED WERMERS

I just received the May issue of the Naval Affairs and note with much surprise that the "Whiskey" ship does have some survivors. I will not be in a position to attend the neunion and would do almost anything if could be made possible, but I see no such chance. In lieu of my attending I'm enclosing a small check to help the affair along and would appreciate any literature that may be available, particularly a roster of the the Shipmates who are lucky enough to be able to attend. To put things in proper perspective my service in the Calvert started with my reporting as an Ensign on 24 October 1942 and terminated with my detachment as a Lieutenant and Executive Officer on 2 June 1945. In the interim I served as Division Officer, Asst. First Lieut, First Lieut. and Exec. under Capt. J.W. "The Hat" Whitfield, Capt. A.P. Mullinnix, Capt, L. A. Thackery, Capt. E. J. Sweeney and Capt. John Ford Harris. After these many years I find it easy to remember the names of many of the Calvert Shipmates and have knowledge of many who have joined their Shipmates on the last long tour of duty. My last visit to the Calvert was at Pagoda Pier on the Naval Base at Yokosuka, Japan the year after I retired and at that time she was rather a sad reminder of the once proud ship she had been in her younger days, also so were most of the members of her illustrious and dedicated first operational crew. None of us ever seem to grow old gracefully, but all achieve the same end; Oblivion.....CHARLES L. SCHOOLER

MAYOWOOD - A Historical Site

Rochester's Magical Silver Lake is located at North Broadway and 13th Street. This is the home of several thousand Canadian wild geese, Mallard wild ducks and two swans. Many of the ducks and geese stay here all year. They are tame and can be hand fed pop corn, bread, corn, etc.

Mayowood's Living Room

Tours of Mayowood appeal to a broad range of people, but especially to those interested in antiques, history landscape, and architecture. Settled on a secluded hillside above the Zumbro River, the forty room mansion contains a rich collection of Mayo memorabilia, in addition to rooms furnished with fine furniture from various countries, largely France, and England. Since Dr. Charles H. Mayo completed the home in 1912 and aquired a large acreage of surrounding woodland, the house and its environs have been a cultural center for Southeastern Minnesota. The home and ten acres of the Estate land was donated to the Olmsted County Historical Society by the late Dr. and Mrs. Charles W. Mayo.
